The format will be a round robin. A team that wins both their games will be declared the A-winner and the other two teams will play in the B-final Sunday morning. In the case of a 3-way tie, the team with the lowest accumulated LSD (Last Stone Draw for hammer) will be declared the A-winner and the other two teams will play in the B-final Sunday morning. Should one team go winless in the round robin, they forfeit hammer in the B-final.
