LEVEL 2 CERTIFIED COACHES

For all Level 2 Certified Coaches who were grandfathered into the new NCCP Coaching Stream – Certified Competition Coach, Janua
ry 31, 2015 is the deadline to maintain your Certified Status!

To maintain your Certified Coach Status, you must complete the On-Line MED Evaluation (Make Ethical Decisions) within five years (*effective January 2010*), but strongly recommend you complete as soon as possible.

Coaches who fail to meet this requirement will be reassigned “In Training” status with credit for all criteria except the On-line MED.

Your “Certified” status will be restored when the required On-line MED evaluation is complete.
